

Magnetic Assemblies >> Magnetic Separator

PCY-Q Light-duty Self-cleaning Permanent Magnetic Separators

Specification: Series PCY Permanent-magnetic Tramp Iron Separator

Product Introduction:

- **Characteristic:**
Small size. The length and height is only 70% and 86% of PCYD(C) model separately
- **Lower noisy and can work continuously.**
- **Light weight and only 75% of PCYD(C) model.**
- **Compact structure makes it convenient for suspension and maintenance.**
- **Using Arrangement:**
Environment protection, foodstuff, chemical industry, building material, mineral and so on

Technical Parameters

Type	Width Adaptive mm	Suspension Height Rated mm	Magnetic intensity mT	Belt Velocity Adaptive m/s	Catching Ability m/s	Working style	Driven Power Kw	Dimension mm						Weight Kg
