Special Shape Magnets

Products Introduction

We can design and produce multifarious magnetic products according to customers requirement:

1. All kinds of shop sign with high quality:NdFeB magnetic materials N50,N48M,N45H,N42SH,35UH,33EH etc..
2. All sorts of conventional products,including quadrate,column form,circularity,tiles and so on;and some other unconventional products,such as spheroid,taper,bread-shaped,strawhat-shaped and : on.
3. Ultra-thin products,high-precision products,high-rotproof products.

Technique Specialty

The machining precision of the Ultra-thin deep punch machine: $\leq 0.03\text{mm}$

Concentric tolerance: $\leq 0.02\text{mm}$

The rotproof capability of the surface disposing of the deep punch products:

1. The salt-fog experiment:upward 100h
2. The PCT experiment:upward 100h
3. The wet and hot experiment:upward 500h

Mobile Vibrancy Alinco

Ring Magnet

Cylinder Magnet

NdFeB Segment
